. . . . builders of the Richmond Union High School as it has come to be—retainers, as it is—and architects of the future—are they.

BAND ACTIVITIES

The band played for all the home football games and all of the rallies. This semester Mr. Kidd had plenty of material with which to work and the result was an excellent band.

C.S. F. ACTIVITIES

Sixty-two was the total C. S. F. membership this semester. For the first time since the scholarship society was formed at Richmond High School, the members wore the novitiate pin. After membership in C. S. F. for three semesters, students are permitted to retain their novitiate pins permanently.

The most important social event, which was attended by forty-three students, was a theater party in San Francisco on October 31. This group enjoyed a production of "State of the Union."

Activities of the semester included a program meeting. At this time a member of the University of California Lower Division Scholarship Society spoke about membership in the University organization and the activity benefits.

Robert Perry is the only member of the Senior Class who received a life membership pin.

The following people are permitted to retain their novitiate pin permanently: Bette Adolph and Marie Aguilar.

The various division pages were done by the following people: Colleen McCracken, Melting Pot on Theme Page; Janice Lambrecht, Map of the United States; Donna Haddock, Classes; Dave Sharp, Seniors; Bob Perry, Athletics; Bette Adolf, Activities. The various cartoons were done by Leta Brown, Zella St. Martin, and Dick Reid.

Besides doing work for the Shield the Special Art Class also did special posters, cuts for Junior Miss, work for Hi Nus, and the oil can for the Oiler. During Teacher's Institute, the Special Art Class had a display of various works in the form of a book. Something new introduced this term was the use of live models in costume. These drawings were done either in pen, pencil, paints, or pastels and the students supplied their own backgrounds. They also brought in outside work to be enlarged. The Special Art Class does both original and copy work.

The Y-Teens have been very active this semester. The various activities included a Christmas Banquet, a Halloween Party, and a dance, the Bobby Sox Jump. The sponsors of Y-Teens are Mrs. Raab, Mrs. Smith, Miss Schubert, and Miss Parker.

TRAFFIC COMMITTEE

JUNIOR RED CROSS

The Junior Red Cross of Richmond Union High School was responsible for any activities this semester. The organization supplied materials for numerous classes to make various articles for disabled veterans and European children. The art classes made 700 Christmas place cards for the Mare Island Hospital, and cookies and candy were also sent. Lamp shades and ash trays were made by the machine shop for the disabled veterans. The clothing classes stuffed fifty toys and made twenty-five dresses for European children. The art classes also made fifty Christmas menu cards for the Navy.

The amount collected by the Junior Red Cross membership drive was $179.25 in comparison with last year's record of $500.

JUNIOR MISS

On December 19th and 20th at 8:00 p. m. the play, "Junior Miss" by Chodorov and Fields and directed by Miss Frances Byrnes, was presented by the Dramatics 2 class in the Richmond Union High School Auditorium. There was an appreciative audience at both performances due to the excellent salesmanship of the Dramatics 2 and Latin America classes. Miss Lorraine Andrews was the head of the sales at school and her third period Latin America Class was assigned to sell tickets. Colleen McCracken appeared at the meetings of several civic organizations, made speeches about the play, and afterwards sold many tickets.

All the characters were exceptional in their various roles. Judy, played by Helen Teegarden, reminded us of the typical 13 year old adolescent who tries to solve everybody else's problems. Judy's playmate, Fluffy, played by Colleen McCracken, is more of the tomboy type and shares many hilarious moments with Judy. The seniors, who had their banquet on Thursday, December 19, went to the play after the dinner. Between acts Dorla West sang "I'm a Big Girl New." The highpoints of the play were when Judy writes an autobiography and tells of the failure of her father's business; Judy's belief that her Uncle Wilis was supposedly a criminal; when Judy tried to introduce her father's boss' daughter to her Uncle Willis, and the ultimate loss of Mr. Grave's job because his boss found his daughter was going out with a criminal. The play ended when Judy found out her uncle wasn't a criminal, when her father secured a big contract which helped him get his job back, and finally when Uncle Willis and Ellen Curtis get married.

Honorable mention should be extended to Miss Von Rembow, the art teacher, who helped with the posters. Speial thanks is also extended to Mr. Kidd and his band, and to the print shop for the programs.

Mr. David Beaver, a new addition to the coaching staff, held the position of head line coach this year and did an exceptionally good job.

VARSITY FOOTBALL

The Richmond High School Varsity closed the season with three wins, five losses, and one tie. This record does not give a true picture of the team's achievements. In several games it was the narrow margin of one point which spelled defeat for the Oilers.

The Alameda game proved to be the thriller of the season. The Oilers finally lost the contest by one point.

It may be said that the entire team showed spirit and teamwork throughout the whole season.

Football awards were presented at the Block "R" Banquet on December 6th. Eleven stars and nine letters were awarded. The following are the receivers of the letters: Gene Burns, Richard Worthey, Bob Rosine, Norman Turner, Dean Moore, Dave Minchaca, Bill Wilson, Bob Feenan, and Dick Summers. The boys who were presented with stars were: Red Stanford, Bob Moon, Bob Rowe, Charlie Hokanson, Al Harris, Jack Barringer, Walt Pocekay, Marvin Melloway, Ray Moitoza, Rayce Mason, and Ray Perasso.

THE RICHMOND JAYVEES

By losing only the first two games and winning the five A.C.A.L. games, the Richmond Jayvees, coached by Mr. Jeff Yates, played a very successful season this year.

The first game was played against the John Swett Varsity. A touchdown pass during the third quarter marked a 6-0 defeat for Richmond. Richmond was in scoring territory quite a few times but failed to go over.

The second game was played gaainst the Pittsburg eleven. The first and only score took place during the first quarter. A pass was intercepted by Pittsburg and the ball was carried to the 10 yard line. On the next play, the ball was over. The conversion was good. A passing attack was tried by Richmond, but failed. Richmond dropped the game, 7-0.

The first A.C.A.L. game was played against the Hayward Jayvees. It was in the second quarter that the Oilers first scored. After a hard drive up the field to the Farmers' 10 yard line, the Oilers went over the goal through the center of the Hayward line. The conversion was good. It was then that Hayward shot a short pass and the ball was carried over the goal. The conversion added another

point and tied the score 7 to 7. The Oilers finally managed to get the ball to Hayward's 21 yard strip and Eddie Peterson, Oiler, smashed through the center to take the ball to the 6. From there, Bunkey Flores took it over for another Oiler touchdown. The conversion was blocked and Richmond won the game, 12 to 7.

The second A.C.A.L. game was played against the Alameda Hornets. The Richmond team seemed to make every play click and there were very few fumbles.

Richmond's first touchdown was made in the third quarter. A buck pass by Larry Lalone was taken by Bob Skogan in a thrilling one arm catch, and he was over the goal standing up. The conversion was blocked.

The Oilers then proceeded to drive down the field for another score. After this, Doug Davis crashed through the center for a 20 yard gain. It wasn't long before the Oilers went over again. The conversion was good.

Near then end of the third quarter the Hornets threw a long pass and went over for their only touchdown. The conversion was blocked.

In the fourth quarter, Bunky Flores, in an end run, took the ball to the 2 yard line. An offside penalty put the Oilers back to the 7, but after two line plunges the ball was over again. The game ended with the score reading, Richmond 19 and Alameda 6.

The next game was played with the Albany Bees. The first score came in the first quarter. Bunky Flores took a lateral from Larry Lalone and went over the goal standing up. The conversion was good.

Less than 3 minutes after, another score was made.

After a series of kicks, the Oilers ran the ball down to the Cougars 10-yard line. A plunge by Organ and the ball was over. The conversion was short.

With 2 minutes left to play before the half, Oiler Norman Anderson intercepted a Cougar pass and went over for another Richmond touchdown. The kick was wide and the half ended with Richmond 19-Albany 0.

After recovering a Cougar fumble in the third quarter, the Oilers carried the ball to the 3 yard line. Bunky Flores took it over. The conversion added another point.

After some end runs by Organ, Flores, and Davis in the fourth quarter, Richmond scored again. The conversion was good, making the final score, Richmond 33-Albany 0.

The next light weight game, one of the biggest games of the season, was against El Cerrito. The first Richmond score was made in the second quarter. After recovering a fumble on the Gauchos 40 yard line, a reverse lateral from Lalone to Organ brought the down to the 10 yard line. Sarriva went around the end for 8 yards and from this point Anderson carried the ball to pay dirt in a line plunge. Mel Dean booted the conversion.

The second Richmond score came in the same quarter. After several run plays, Anderson finally went over for another touchdown. The conversion was wide and the half score was Richmond 13, El Cerrito 6.

El Cerrito, during the third quarter, recovered a fumble and after some hard playing, the Gauchos finally ran the ball to the Richmond ten-yard line. From here the ball was taken to the 1-yard line. The Oilers held the opponent for 3 downs but finally the Gauchos went over the goal line on their fourth down. The game ended, Richmond 12, El Cerrito 6.

The last game of the season was played with the Piedmont Highlanders. Although the Jayvees looked forward to a very tough game, it was the most surprising game of the season.

In the second quarter the Oilers first started rolling. After fumbling and a few bad centers, Piedmont was forced back to its own 9 yard line. As a Piedmont man faded back to heave a pass, Richmond's Bob Skogen knifed through the opposition to tackle him behind the goal for a touchback.

The second score came a little while after Richmond recovered a fumble on the Scots' 25 yard line, and after runs by Organ and Davis, the Oilers took the ball over the goal. As the half sounded, it was Richmond 8, Piedmont 0.

In the third quarter the Oilers rolled again. A pass was intercepted by Larry Lalone and he had no trouble taking it over the goal. The conversion was wild.

After recovering another fumble on the Scots' 25, Organ went around end for another touchdown. Carriker kicked the conversion to add another point. The final score of the game was Richmond 21, Piedmont 0.

This game marked the fifth straight win for the Oilers and won the A.C.A.L. Championship for them.

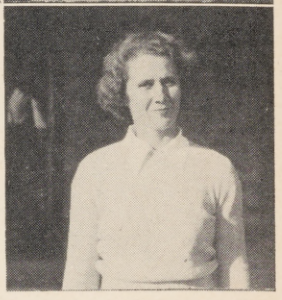

The Jayvees' line should be given much credit for its great blocking and tackling during the season's games. These fellows, and all the rest of the Jayvee team, are the ones who will be playing Varsity for R.U.H.S. next term.

Sixteen letters and six stars were awarded to the champion Oiler Jayvees. The letters were awarded to the following boys: Bob Skogan, Robert Buss, Wayne Mays, Jim McGlaughlin, Troy Blasingame, Norman Anderson, Larry Lalone, Mel Dean, Jim McCarty, Merrill Nunn, Ray Lysher, Jim Putky, and Roy Organ. Stars were presented to Dave Dezell, Dave Fleming, Eddie Peterson, Bunky Flores, M. J. Carriker, and Echols Ford.
